# BACKCOUNTRY

Designed to break trails and get you to the peak, the Backcountry category offers our most aggressive traction without sacrificing comfort and control.

MEN'S

WOMEN'S

## MOUNTAINEER

Easily access the backcountry with the Mountaineer, our classic tubular frame snowshoe for go anywhere, do anything versatility. Aggressive traction is provided on two fronts by the eight teeth of the Anaconda™ toe crampon backed up by enhanced downhill braking from the Python™ heel crampon. The ActiveFit™ 2.0 binding brings comfort, security and ease-of-use with a TPU cinch strap that reduces friction and ice build-up, and the single-handed convenience of the EZ heel buckle. The Mountaineer's design is rounded out with the ActiveLift™ 19° heel lift to reduce calf fatigue and tendon strain on the steeper ascents encountered in backcountry terrain.

**Men's Available Sizes:** 25", 30", 36"
**Men's Weight/Pair:** 4.9 lbs / 2.24 kg (25")
**Women's Available Sizes:** 21", 25", 30"
**Women's Weight/Pair:** 4.8 lbs / 2.16 kg (25")
**Frame and Decking:** Pro-Step™ Frame, Soft-Tec™ Decking
**Articulation:** R2™ Revolution Response
**Control:** ActiveFit 2.0™ Binding
**Traction:** Anaconda™ Toe Crampon, Python™ Heel Crampon
**Other:** ActiveLift™ 19° Heel Lift, EZ Heel Buckle

MEN'S

WOMEN'S

## FLEX VRT

The Flex VRT is our premium composite deck snowshoe designed to deliver high quality performance for backcountry exploration. The DynamicFit™ 2.0 binding features the BOA® Fit System which evenly distributes tension around your boot, combined with EVA foam for the ultimate comfortable and precise fit. The Viper™ 2.0 crampon and 3D-curved traction rails provide substantial grip on the varying terrain and snow conditions of the backcountry. To promote a more natural feeling stride, we've added our Flex Tail™ technology that allows the snowshoe to roll more naturally from heel to toe while absorbing impact to reduce the amount of stress on joints.

**Men's Available Sizes:** 24", 28" (XL)
**Men's Weight/Pair:** 4.5 lbs / 2.03 kg (24")
**Women's Available Sizes:** 22"
**Women's Weight/Pair:** 4.0 lbs / 1.84 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** DynamicFit 2.0™ Binding
**Traction:** Viper 2.0™ Toe Crampon, 3D-Curved Traction Rails
**Other:** ActiveLift™ 19° Heel Lift, EZ Heel Buckle

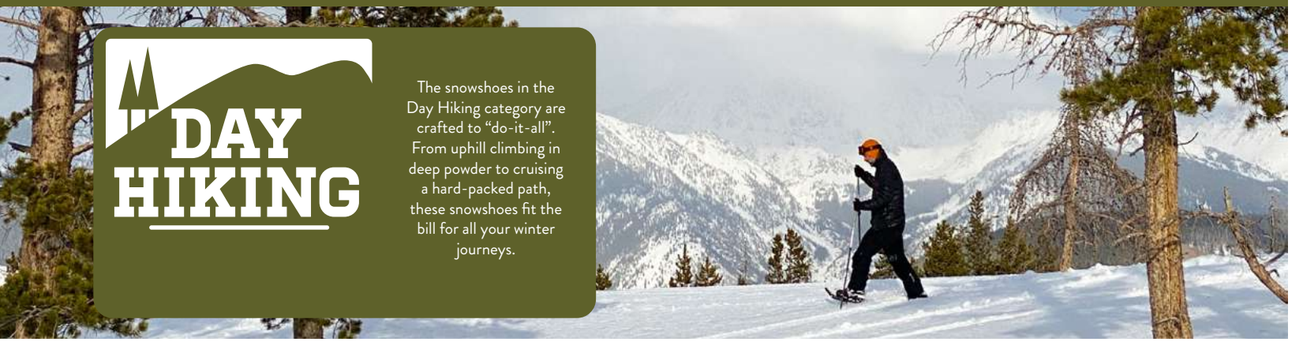
MEN'S

WOMEN'S

## FLEX ALP

When it comes to backcountry traction, the Flex ALP ups the ante with micro-serrated 3D-curved traction rails and the Viper™ 2.0 toe crampon, bringing the grip needed on hikes beyond the tree line. Getting in and out of these snowshoes is now easier than ever thanks to the ActiveFit™ 2.0 binding. Featuring an easy to grip TPU cinch strap which reduces friction and ice buildup and our EZ heel buckle, this binding holds your foot securely while allowing for a quick entry and exit. Uneven and sidehill terrain are no match for the Flex ALP's Torsion Deck™ technology that allows torsional articulation throughout the body of the snowshoe to enhance traction and preserve your natural gait. Finally, the ActiveLift™ 19° heel lift provides extra support on steeper ascents making the Flex ALP a go-to for backcountry travel.

**Men's Available Sizes:** 24", 28" (XL)
**Men's Weight/Pair:** 4.6 lbs / 2.08 kg (24")
**Women's Available** Sizes: 22"
**Women's Weight/Pair:** 4.1 lbs / 1.88 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** ActiveFit 2.0™ Binding
**Traction:** Viper 2.0™ Toe Crampon, 3D-Curved Traction Rails
**Other:** ActiveLift™ 19° Heel Lift, EZ Heel Buckle



# DAY HIKING

The snowshoes in the Day Hiking category are crafted to "do-it-all". From uphill climbing in deep powder to cruising a hard-packed path, these snowshoes fit the bill for all your winter journeys.

MEN'S

WOMEN'S

## PANORAMIC

The Panoramic has quickly become a favorite of the snowshoeing community! Sitting at the top of our Day Hiking category it is a well-rounded, user-friendly and versatile snowshoe that's at home in all types of terrain and snow conditions. It's innovative Fit-Step™ 2.0 frame coupled with the butter-smooth SoftTec™ decking deliver optimal flotation in deep snow. For optimized fit, control and comfort the Panoramic features the DynamicFit™ 2.0 binding with the BOA® Fit System and EVA foam. When conditions get icier or trails become more compact the Panoramic's aggressive Cobra™ toe crampon grips with eight carbon steel teeth providing traction and confidence. With a myriad of functional features, you can always count on the Panoramic to help you reach the best view on the trail!

**Men's Available Sizes:** 25", 30", 36"
**Men's Weight/Pair:** 4.4 lbs / 1.98 kg (25")
**Women's Available Sizes:** 21", 25", 30"
**Women's Weight/Pair:** 4.3 lbs /1.94 kg (25")
**Frame and Decking:** Fit-Step™ 2.0 Frame, Soft-Tec™ Decking
**Articulation:** R2™ Revolution Response

WOMEN'S

## WILDERNESS

With new art - including a sleek & stealthy blacked-out version - this go-to snowshoe has a fresh look and is ready to get on the snow this winter. A well-balanced Day Hiking snowshoe, the Wilderness is the perfect blend of functional technology and comfort. The Fit-Step™ 2.0 frame with SoftTec™ decking provide ample flotation when the snow gets deep, while the tried-and-true Cobra™ toe crampon and Tubbs heel crampon bring the traction and stability needed on varying terrain. The premium 180™ Pro binding provides a pressure-free fit and warmth thanks to the rigid Control Wings™, a locking heel strap and padded upper. With an ActiveLift™ 16° heel lift to reduce calf fatigue on steeper ascents the Wilderness has you covered no matter where adventure leads.

**Men's Available Sizes:** 25", 30", 36"
**Men's Weight/Pair:** 4.3 lbs / 1.96 kg (25")
**Women's Available Sizes:** 21", 25", 30"

WOMEN'S

## FLEX RDG

Designed to tackle a wide variety of mountainous terrain, the Flex RDG has the functional features you need to crush a hike and then some. Its composite Torsion Deck™ allows articulation throughout the body of the snowshoe to enhance traction, preserve your natural gait and improve comfort. Flex Tail™ technology rounds out the deck's design for a more natural feeling heel to toe roll and shock absorption. The Flex RDG also features our intuitive CustomWrap™ 2.0 binding which integrates the user-friendly BOA® Fit System for a fast, effortless, precision fit. What makes this binding truly unique is the incorporation of the heel strap into the overall construction, creating an exceptional full-foot precision fit with the simple turn of a dial. With the confidence-inspiring traction provided by the Tubbs toe crampon and 3-D curved traction rails, the Flex RDG is an excellent all-around snowshoe for winter hiking.

**Men's Available Sizes:** 24"
**Men's Weight/Pair:** 3.9 lbs / 1.79 kg
**Women's Available Sizes:** 22"
**Women's Weight/Pair:** 3.5 lbs / 1.59 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** CustomWrap 2.0™ Binding
**Traction:** Traction Rails, Tubbs Toe Crampon
**Other:** ActiveLift™ 16° Heel Lift

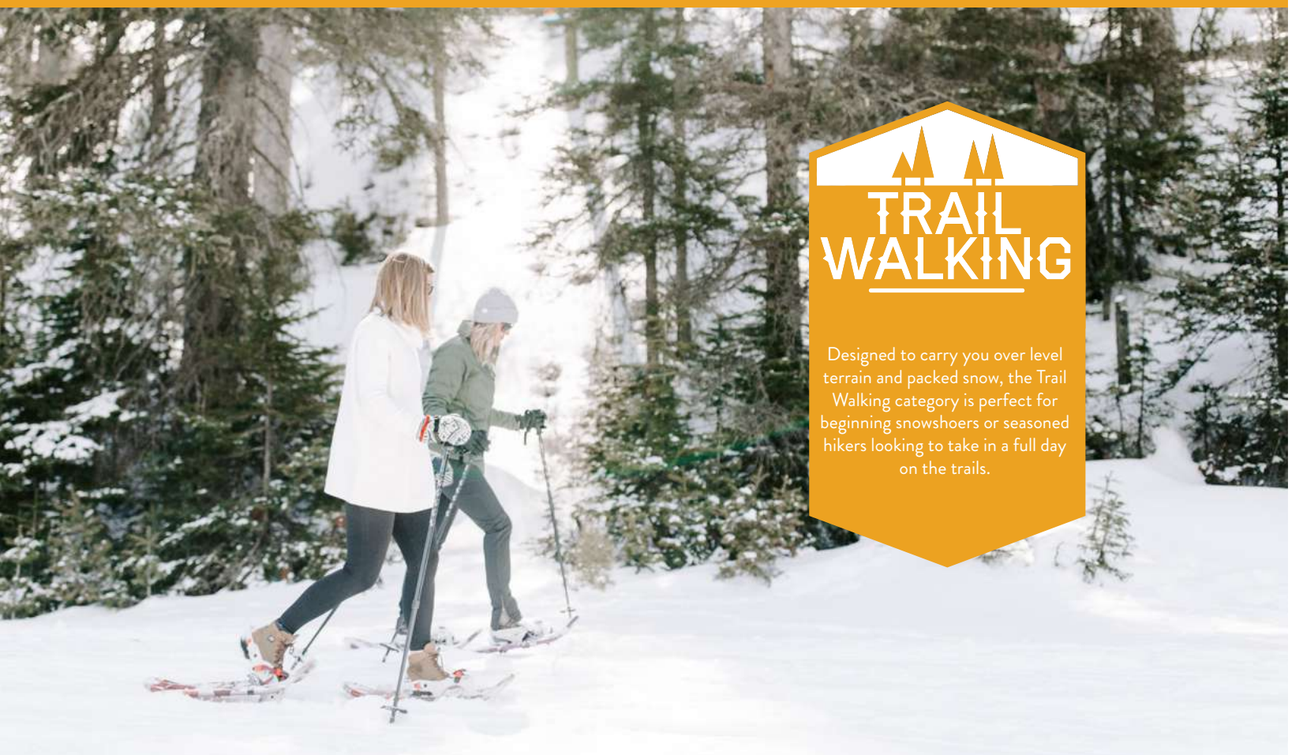
MEN'S

WOMEN'S

## FLEX TRK

An excellent all-around Day Hiking category snowshoe for anyone from the beginner to the intermediate snowshoer. The composite deck of the Flex TRK comes in a 22" and 24" length and features our Flex Tail™ technology to absorb shock and promote a natural heel to toe roll when walking. The Tubbs toe crampon and traction rails provide ample grip on uphill, downhill and sidehill terrain while the ActiveLift™ 16° heel lift reduces calf fatigue on steeper ascents. The 180™ EZ binding provides a quick and secure fit with a single buckle tightening mechanism and heel strap. If you're in the market for an entry to mid-level snowshoe to get outside on this winter, then check out the Flex TRK!

**Men's Available Sizes:** 24"
**Men's Weight/Pair:** 4.0 lbs / 1.82 kg
**Women's Available Sizes:** 22"
**Women's Weight/Pair:** 3.5 lbs / 1.60 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** 180™ EZ Binding
**Traction:** Traction Rails, Tubbs Toe Crampon
**Other:** ActiveLift™ 16° Heel Lift



# TRAIL WALKING

Designed to carry you over level terrain and packed snow, the Trail Walking category is perfect for beginning snowshoers or seasoned hikers looking to take in a full day on the trails.

MEN'S

WOMEN'S

## FRONTIER

A truly classic snowshoe in every sense! The Frontier has been a staple of the Tubb's Trail Walking category for years, and for good reason. The streamlined 180™ EZ binding makes entry and exit a breeze with a single buckle tightening mechanism, while Control Wings™ and a heel strap provide efficient, lightweight support. The minimalist design of the Frontier delivers efficient performance on packed trails thanks to the aluminum Fit-Step™ frame and SoftTec™ decking. Whether you're a budding snowshoer or just looking to take on less intense trails and hikes, the Frontier has everything you need for your next winter excursion.

**Men's Available Sizes:** 25", 30", 36"
**Weight/Pair:** 3.9 lbs / 1.77 kg (25")
**Women's Available Sizes:** 21", 25", 30"
**Weight/Pair:** 3.8 lbs / 1.74 kg (25")
**Frame and Decking:** Fit-Step™ Frame, Soft-Tec™ Decking
**Articulation:** Rotating Toe Cord
**Control:** 180™ EZ Binding
**Traction:** Recreational Toe and Heel Crampons

MEN'S

WOMEN'S

## WAYFINDER

The top snowshoe in our Trail Walking category, the Wayfinder is always ready to hit the trails! The technology highlight on this best-selling snowshoe is, without a doubt, the ingenious CustomWrap™ 2.0 binding featuring the BOA® Fit System. This binding integrates the heel strap with the BOA® lace, encompassing your foot with a simple turn of the dial to provide optimal fit and comfort. The FitStep™ 2.0 frame and SoftTec™ decking provide the needed flotation on soft snow, as the carbon steel recreational toe and heel crampons bite into snow and ice for secure uphill, downhill and sidehill grip. If you're looking for a snowshoe to take on flat to moderately rolling terrain, the Wayfinder won't steer you wrong!

**Men's Available Sizes:** 25", 30", 36"
**Weight/Pair:** 3.6 lbs / 1.64 kg (25")
**Women's Available Sizes:** 21", 25"
**Weight/Pair:** 3.5 lbs / 1.62 kg (25")
**Frame and Decking:** Fit-Step 2.0™ Frame, Soft-Tec™ Decking
**Articulation:** Rotating Toe Cord
**Control:** CustomWrap 2.0™ Binding
**Traction:** Recreational Toe and Heel Crampons

WOMEN'S

## XPLORE

The best way to start snowshoeing! The Xplore's minimalist design has everything you need and nothing you don't. It brings a classic aesthetic and shape that is approachable by all levels of snowshoers, at an excellent price. The lightweight tubular Fit-Step™ frame with an innovative, upturned tail provides biomechanical benefits, reducing muscular skeletal impact on hip, knee and ankle joints by 10%*. The QuickPull™ binding holds your foot securely with an intuitive forefoot strap that cinches and unlocks easily, while and our Control Wings™ aid in heel alignment. With plenty of traction from the carbon steel Recreational toe and heel crampons, the Xplore is ready to get you out and on snow this winter.
*According to a study conducted by Ray Browning, Ph.D. (Colorado State University).

**Men's Available Sizes:** 25", 30"
**Weight/Pair:** 3.6 lbs / 1.61 kg (25")
**Women's Available Sizes:** 21", 25"

WOMEN'S

## FLEX ESC

The Flex ESC is an excellent way for those new to snowshoeing to become better acquainted with the activity. With all of the functional features you need at a fantastic price, the Flex ESC is a great option for winter hikers looking to take on the trails this season. Its composite Torsion Deck™ features the added benefit of the Tubbs Flex Tail™ for a more natural roll from heel to toe. Featuring traction rails and the Tubbs toe crampon the Flex ESC brings the needed grip on hard packed, icy trails. Lastly, for those steeper ascents, we've added the ActiveLift™ 16° heel lift to reduce tendon strain and calf fatigue.

**Men's Available Sizes:** 24", 28" (XL)
**Weight/Pair:** 3.8 lbs / 1.72 kg (24")
**Women's Available Sizes:** 22"
**Weight/Pair:** 3.6 lbs / 1.64 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** QuickPull™ Binding

**Other:** Heel Lift 16°

MEN'S

WOMEN'S

## FLEX STP

Designed for new snowshoers, or those looking for a casual day out on the trails, the Flex STP offers a supportive and comfortable snowshoe experience for all. This Trail Walking category snowshoe is built around the composite Torsion Deck™ which enhances traction, preserves your natural gait and improves comfort when the terrain becomes uneven. The Flex STP's intuitive QuickPull™ binding is easy to use and holds secure thanks to the forefoot webbing strap which unlocks with a single buckle push and Tubbs's Control Wings™ that keep your heels aligned. Overall, the Flex STP is an excellent choice for the burgeoning snowshoe enthusiast looking for an entry-level snowshoe at a great price!

**Men's Available Sizes:** 24", 28" (XL)
**Weight/Pair:** 3.5 lbs / 1.59 kg (24")
**Women's Available Sizes:** 22"
**Weight/Pair:** 3.3 lbs / 1.52 kg
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** QuickPull™ Binding
**Traction:** Traction Rails and Tubbs Toe Crampon

## FLEX HKE

Designed for those who have outgrown traditional kids' snowshoes but aren't yet ready to step into a full-size adult model. The Flex HKE features Traction Rails and the Tubbs toe crampon that keep the snowshoes steady on icy slopes and variable terrain. The composite Torsion Deck™ provides optimal flotation while allowing torsional articulation throughout the body of the snowshoe. With the simple QuickLock™ binding the Flex HKE is easy to get on and take off while holding securely during a hike.

**Available Sizes:** 22"
**Recommended Ages:** 13-18
**Weight/Pair:** 3.3 lbs / 1.52 kg
**Recommended Shoe Size:** Jr. 3 - Men's 9
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** QuickLock™ Binding
**Traction:** Traction Rails and Tubbs Toe Crampon
**Other:** ActiveLift™ 16° Heel Lift

## GLACIER

The Glacier is sure to please "tweeners" headed on winter adventures with the family. This snowshoe has a tight frame shape to accommodate a narrower stance, as well as a fixed toe cord to help the snowshoes stay close underfoot, providing improved maneuverability through the snow. The classic tubular frame design with Soft-Tec™ decking provides ample flotation in deeper snow. For the traction needed on various terrain and snow conditions, the Glacier features a Recreational toe and heel crampon, bringing grip and stability.

**Available Sizes:** 21"
**Recommended Ages:** 10-15
**Weight/Pair:** 2.6 lbs / 1.16 kg
**Recommended Shoe Size:** Jr. 3 - Men's 9
**Frame and Decking:** Fit-Step™ Frame, Soft-Tec™ Decking
**Control:** QuickLock™ Binding
**Traction:** Recreational Toe and Heel Crampon

## STORM

The Storm is a true kid-friendly model, boasting functional features and a cool look! Best for kids ages 6-10, this unisex snowshoe might look like mom and dad's, but it features a tapered frame shape built to accommodate a smaller stance. With the secure, comfortable and easy to use QuickLock™ binding and Recreational toe and heel crampons the Storm is ready to hit the trails for snow-filled adventure!

**Available Sizes:** 19"
**Recommended Ages:** 6-10
**Weight/Pair:** 2.2lbs /1.00 kg
**Recommended Shoe Size:** Youth 11 - Men's 4
**Control:** QuickLock™ Binding
**Traction:** Recreational Toe and Heel Crampon

## FLEX JR

The Flex JR is a stand-out snowshoe for kids ages 6-10. Its composite deck brings the award-winning Flex Tail™ design to our Youth category, allowing the snowshoe to roll more naturally from heel to toe for a smooth feeling stride. The Flex JR is rounded out with the QuickLock™ binding which features a simple tightening and locking buckle paired with an easy-stretch heel strap that enables kids to take control.

**Available Sizes:** 17"
**Recommended Ages:** 6-10
**Weight/Pair:** 2.1 lbs /.97 kg
**Recommended Shoe Size:** Youth 11 - Men's 4
**Frame and Decking:** Torsion Deck™, Flex Tail™
**Articulation:** Rotation Limiter
**Control:** QuickLock™ Binding
**Traction:** Traction Rails and Tubbs Toe Crampon

## SNOWGLOW

More fun with every step! The Snowglow is sure to excite young snowshoers (recommended for ages 4-8) with the MotionBright™ lighting system, flashing LED lights that activate with every stride. In addition, the QuickLock™ binding makes it easy to get the snowshoes on and off, while molded traction rails provide grip. Get outside with the kids and light up the trails with the Snowglow!

**Available Sizes:** 16"
**Recommended Ages:** 4-8
**Weight/Pair:** 1.6lbs /0.73 kg
**Recommended Shoe Size:** Youth 11 - Men's 4
**Other:** MotionBright™ Lighting System

## SNOWBALL

Instill a love of winter at a young age with the Tubbs Snowball, the perfect snowshoe for kids ages 4-8. The QuickLock™ binding is secure and comfortable while providing easy on and off for kids and parents alike. The Snowball has plenty of traction for a fun day in the snow - just add snacks and adventure awaits!

**Available Sizes:** 16"
**Recommended Ages:** 4-8
**Weight/Pair:** 1.4 lbs /0.66 kg
**Recommended Shoe Size:** Youth 11 - Men's 4

## SNOWFLAKE

Designed for the youngest explorers (approx. 3-6 years old), the Snowflake is a great introduction to snowshoeing. The Snowflake's fun design features an easy to use two-step binding and, best of all, a sticker pack for boys and girls to customize their snowshoes!

**Available Sizes:** 14"
**Recommended Ages:** 3-6
**Weight/Pair:** 1.3 lbs / 0.60 kg
**Recommended Shoe Size:** < Youth 11
**Other:** Sticker Pack for Custom Snowflakes!

# ACCESSORIES

## SNOWSHOE HOLSTER

The Tubbs Snowshoe Holster is the perfect way to transport and store your snowshoes and poles between excursions. The open design allows your gear to dry for proper storage and the reinforced polyester material is strong and durable enough to stand the test of time.

**Available Sizes:** 20 x 64 cm

## SNOWSHOE PACK

Adjustable shoulder straps hold this anatomically designed pack snug against your back for hands-free movement and easy access. A grab-and-go side handle lets you transport your gear in one hand, while a durable nylon-canvas and mesh construction allows your snowshoes to dry between uses.

**Available Sizes:** 8 x 25 in. / 20 x 64 cm
9 x 30 in. / 23 x 76 cm
10 x 36 in. / 25 x 91 cm

MEN'S WOMEN'S

## GAITERS

No one likes wet boots and socks! The Tubbs full-length nylon gaiters provide protection from the elements by keeping snow out of your boots and off of your pants. Water-resistant and breathable, these gaiters keep your feet comfortable and dry on those cold, wet winter hikes.

**One Size**

## TRAIL WALKING 2-PIECE POLES

The Trail Walking Poles are the perfect companions to our snowshoes for hikes in flat to moderate terrain. These poles are crafted from 6000 series aluminum and feature a seamless 2-part shaft, twist-lock adjustment, a rubber grip and steel tips.

**One Size**
**Extended Length:** 41.3 - 51.2 in. / 105-130 cm
**Collapsed Length:** 30.7 in. / 78 cm
**Weight (Pair):** 1.1 lbs / .50 kg

## DAY HIKING 3-PIECE POLES

For those seeking more adventure, the Day Hiking Poles provide added support on the snow and break down to a smaller size to allow for easy packability. These poles are crafted from 6000 series aluminum and feature a seamless 3-part shaft, twist-lock adjustment, a rubber grip and steel flex tips.

**One Size**
**Extended Length:** 35.5 - 57 in. / 90 - 145 cm
**Collapsed Length:** 26.25 in. / 67 cm
**Weight (Pair):** 1.2 lbs / .54 kg
